## What do you need?

- ***Are you having trouble with health care, bills, hunger & basic needs?***

We can help you and your family with medical care, public benefits, insurance, & community resources. We give out free food Mondays-Fridays.

- ***Do you have questions about the COVID-19 vaccine?***

We can give you trustworthy information. We also can sign you up for a vaccine appointment that is convenient for you.

- ***Do you feel safe in your relationship?***

For survivors of abusive relationships, we offer safety planning, case management, financial counseling, legal & housing referrals, and support.

- ***Are you ready to apply for citizenship and/or register to vote?***

We can help you with your citizenship application and connect you to a free attorney if you need one. We can help you to register to vote and give you information about your voting rights.

- ***Do you want to improve your English & computer skills?***

All classes are free & virtual!

- ***Are you unemployed?***

We can help you file for unemployment, update your resume, and apply for jobs.

- ***Do you want your child or grandchild to get ahead in school?***

We offer family English classes, homework help, and school support.

- ***Are you 60+ years old?***

SEAMAAC offers weekly check-in calls, help with technology, food & fun online groups for Asian elders.

- ***Any questions about using technology, affordable Internet, or digital access issues?***

Our Digital Navigators can help. Call or text 215-867-9732.
