

SEED AWARD GRANT APPLICATIONS ARE OPEN!

Apply for funding for:

Support and/or Self-Advocacy Groups:

Groups where people can connect with one another and share resources. Groups can focus on a particular topic/theme.

Examples include:

- Social groups
- Self-advocates, parents, grandparents, caregivers, sibling support groups
- Groups focused on special interests

Community Programming Opportunities:

Programming with the goal of creating community connections through shared interests and structured programs.

Examples include:

- Virtual/online programs, workshops, etc.
- Programs focused on physical health or recreation
- Programs focused on creative arts

Mental Health and Wellness:

Opportunities and programming focused on meeting the wellness needs of our local community.

Examples include:

- Programs that foster the social, emotional and physical well-being of youth (and young adults)
- Resources to help people cope with the impact of COVID-19
- Support for people dealing with loss, grief, and trauma

Navigating the Online World:

Opportunities focused on reaching and serving communities to support increased use of and access to online resources and platforms.

Examples include:

- Projects which support communities in accessing and engaging with online resources
- Projects which promote learning basic digital literacy skills (examples: communicating online, finding information and resources on the internet, and using social media platforms)
- Projects which address digital access issues

Eligibility Requirements:

1. Be a Philadelphia County Resident or Philadelphia-based organization
2. Be at least 18 years of age
3. Have a proposed project or activity that targets Philadelphia County residents
